From the Revenue Commissioner
D.O. No. C.681/36-37 d. 10.8.36

Recommends (among other things) that Mr E. Da Costa, ~~[illegible]~~ who has fully qualified himself, may be confirmed as Asst. Comr. from 3.9.36.

Mr. Da Costa joined duly as Prob. Asst. Comr. on 3.9.34 and completes two years of probationary period by the afternoon of 2.9.36. He has passed the required Local Service tests and also the equitation exam.

As regards the Departmental training prescribed, he has gone through the several items except the last, viz "Independent charge of a Taluk", in which he has not put in the full period of 6 months, but only about 1½ months. In view of, however, of the fact that this shortage was due to his having been employed for some months on other duty (at Govt. House) during his probation, Govt. have already agreed that the full period of 6 months need not be insisted upon & that he may be confirmed from 3.9.36 (on completion of 2 yrs. of probation) if his work be ~~[illegible]~~ satisfactory. Vide office notes paras 40 to 44 above & letter d. 15.4.1936 (Pl. R.) to the Rev. Comr. The Rev. Comr. has recommended

Submitted to His Highness.

The accompanying papers relate to the question of confirmation of Mr. E. da Costa as an Assistant Commissioner on completion of the period of probation.

E In order dated 28th August 1934, His Highness was graciously pleased to approve of Mr. E. da Costa being appointed as a Probationary Assistant Commissioner. Under the rules, a Probationary Assistant Commissioner is entitled to be confirmed in the grade of Assistant Commissioners on his satis-

F factorily completing a prescribed course of training for a period of two years and passing certain tests. Mr. Da Costa joined duty on 3rd September 1934 and was posted to undergo the usual course of training. During the period of his pro-

G bation, he was on some occasions posted for special duty under the Private Secretary to His Highness the Maharaja to help the latter in connection with the entertainment of guests during the Birthday and Dasara seasons, and his Departmental training as Probationary Assistant Commissioner was interrupted during these periods of special duty. In view of this he was not able to put in the full term in respect of the last item of his training, viz., "Independent charge of a Taluk", by 3rd September 1936 on which date he completed two years of probation. As, however, the shortage in this one item of training was due to exigencies of service, the Members of Council and I are of opinion that he should be confirmed from the due date.
